Freemasonry Exposed

What is Freemasonry –

A mason will tell you it is the oldest men's fraternity in the world, with 3 million members worldwide. Freemasonry is a charitable, fraternal, educational, social, and character-building society. Some say it is Christian because you must come in believing in a God. Freemasonry is a fraternity within a fraternity – the outer organization concealing an inner brotherhood of the elect. It is the largest secret society in the world. This means that many nations of the world have Freemasonry in their foundations and power structures.

The symbols and emblems of ancient Freemasonry are all around you, even in your billfold—the dollar bill.

Like all occult, the Masonic organization and its members are patriotic and heavily involved in charity, emphasizing the “brotherhood of man.”

Religious Truth: Freemasonry is a powerful old fraternal order. It is a Luciferian false religion that the lower levels don't know. Freemasons say that it is universal and universal, above all religions. Lucifer is the ‘god’ of Freemasonry and is known as the great architect. Spiritually, the Masonic doctrine is based on esoteric occult knowledge of ancient mysteries designed to ‘enlighten’ its initiates. So, it is a religious cult. With each degree, you become more enlightened. Freemasonry is Satanic to the core – and is striving mightily to produce the New Age Christ (Antichrist) of the New World Order.

The “God” for the first 3 Degrees is deistic” (whatever god you want to worship – excluding Jesus Christ) – the creator but cannot be known – all specific conceptions of God are idolatrous except Masonry's Morals and Dogmas pg. 516.

The Deistic God is a boundless, eternal, universal, undenominational, and international Divine Spirit, but it is unapproachable. The only approachable “acting god” is the Worshipful Master—33 degrees. The 33-degree mason is the worshipful master, who is the temple God.

The Lodge is a “federation of Gods and Religions,” and they believe Man is not sinful but merely imperfect and can, therefore, redeem himself through good works—negating the redemptive work of Jesus Christ on the Cross.

- Buddha is on the level with Jesus
- Islam is on the level with Jesus
- Hindu gods are on the level with Jesus
- Osiris is on the level with Jesus
- Baal is on the level with Jesus

Romans 3:23 For all have sinned and come short of the glory of God; - freemasonry believes the opposite.

The Shriners plainly proclaim Allah to be God. Allah is the name of the moon god worshipped by the Arabic.

Pike, writing about the pagan god Thor, reveals that “Thor was the sun, the Egyptian Osiris and Kneph, the Phoenician Bel or Baal.” Bel (or Baal) was believed to be the “*lord of the air*” as well as a sun god. Remember also that the god Baal is a synonym for the Devil.

Symbolism: *all-seeing eye of God*, but this, too, is a symbol that has a deeper meaning than what is normally revealed. “**The All Seeing Eye’ is a Masonic representation of Osiris. “Osiris is the Egyptian god of the dead** (and of the underworld) and part of the “Masonic trinity” to whom Masons pay honor.

This name is a composite. **SOL-OM-ON**, the names of the Sun in Latin, Indian and Egyptian."

Essentially, a Mason aims to become ‘born again’ through secret knowledge. This is achieved by becoming a better person through the knowledge imparted to the initiates of Freemasonry as they rise through the degrees or levels of initiation and doctrinal teachings.

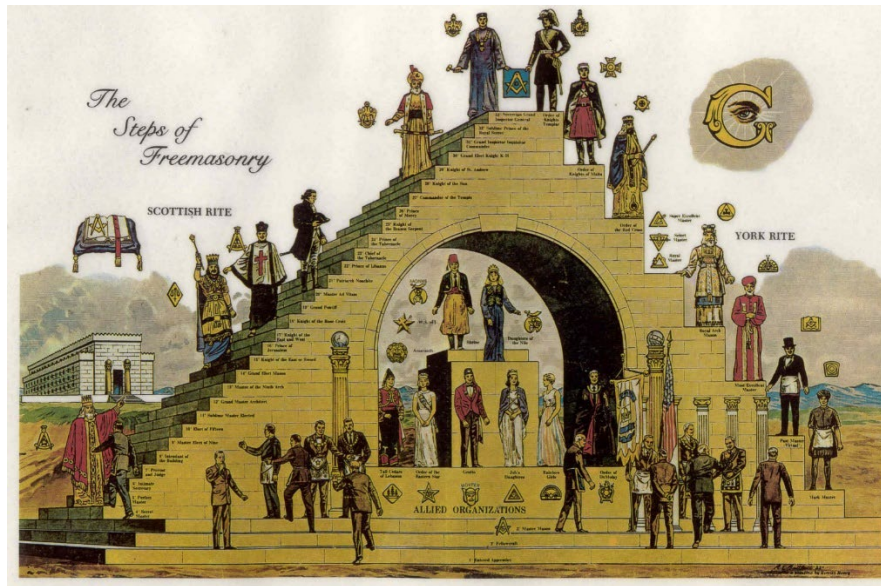

"The Masonic Movement is the custodian of the law, the holder of the Mysteries, and the seat of initiation ... a far more occult organization than can be realized ... intended to be the training school for coming advanced occultists." By Alice Bailey

How Is Jesus Looked Upon?

[Masonic Doctrine on Jesus Christ](#) "Jesus was just a man. He was one of the "exemplars," one of the great men of the past, but not divine and certainly not the only means of redemption of lost mankind. He was on a level with other great men of the past like Aristotle, Plato, Pythagoras and Mohammed. His life and legend were no different from that of Krishna, the Hindu god. He is "the son of Joseph," not the Son of God."

So Freemasonry is steeped in witchcraft and preaches another gospel and are “accursed.” They promise salvation false religion through works without Christ Jesus. It spread worldwide and is considered part of the New World Order – They are the keepers of the secret – based on witchcraft. The lodge claims to be a revival of the ancient philosophy of Egypt, Phoenicia and other pagan nations. These all practiced a secret worship in honor of a sun god (Lucifer).

Two ways to go up Freemasonry: (see Diagram 1) on next page

The York Degree – 9 degrees or the Scottish Rite – 33 Degrees.

All start at the Blue Lodge, the first three levels of initiation. In Freemasonry, you can go up to the 97th degree.

Two organizations of Freemasonry – One Visible, the Other Invisible. Again, Freemasonry is a fraternity within a fraternity – an outer organization concealing an inner brotherhood elect. The visible society devotes itself to ethical, educational, fraternal, patriotic, and humanitarian concerns. Many well-meaning men of the visible society do not know the inner invisible society.

The invisible society is the secret and most secretive fraternity whose members are dedicated to serving a mysterious arcana arcanum—the hidden mystery. The invisible masons are the true leaders who cooperate globally for the Great Architect to achieve the Greater Work, the New World Order. Essentially, the invisible lodge is the “Perfect Men.”

Masonry, like all religions, all the Mysteries, Hermeticism, and Alchemy, conceals its secrets from all except the Adepts and Sages or the Elect and uses false explanations and misinterpretations of its symbols to mislead those who deserve only to be misled to conceal the truth, which it calls light, and draw them away from it. If a man reveres Jesus Christ is shunted into the visible society and will never learn the truth. But the degrees are set up to lead you astray intentionally.

The visible society, 95% of all masons, are called the “masses.”

Curses a person gets:

Curses of barrenness, sickness, poverty, defeat, oppression and family breakdown, early death. Accidents, failures,

How do these curses come in?

The curses come in through their words or secret oaths, vows, and curses spoken over them, which they make at each level of initiation. The candidate is not permitted to see a copy of the oaths. These curses always involve demon spirits.

Scripturally, curses come in through the sin of disobedience to God's principles, commands, and statutes, i.e., rebellion towards God and involvement in idolatry or the occult.

Who gets the curses?

The person involved transfers the curse onto families and future families for generations. Curses can be broken through repentance and breaking the curses. Spiritual curses affect a person's everyday life. Because a man leaves Freemasonry, he is not released from his oaths.

2 Corinthians 4:2 King James Version (KJV)

² But have renounced the hidden things of dishonesty, not walking in craftiness, nor handling the word of God deceitfully; but by manifestation of the truth commending ourselves to every man's conscience in the sight of God.

Who are Freemasons, and Why be Part of Freemasonry?

Most politicians are lawyers, and most lawyers are Masons to get into politics. Many heads of state are Masons. At least 17 presidents have been Masons. Most judges are Masons.

The presidents—James Monroe, Andrew Jackson, James Polk, James Buchanan, Andrew Johnson, James Garfield, William McKinley, Theodore Roosevelt, William Howard Taft, Warren G. Harding, Franklin D. Roosevelt, Harry S. Truman, and Gerald R. Ford—were 33 degrees and had to have communion in a skull.

GW: In England, you had to be a mason to serve in the military. He renounced it later.

Explorers and adventurers: Freemasons who blazed new trails include Davey Crockett, Jim Bowie, Sam Houston

Actors and entertainers: John Wayne, Harry Houdini, Richard Pryor,

Businessmen: Henry Ford, Charles Hilton, Nathan Meyer Rothschild, Benjamin Franklin – Satanist, Paul Revere, Thomas Jefferson – John Adams anti-mason.

Later, in their oaths, further up the degrees, they revealed the destruction of Law, Religion, and Government. They wanted to create a one-world government, religion, and legal court. The masonic philosophy caused Freemasons to revolt against God's law.

Curses: If somewhere 3 or 4 generations back, someone in your bloodlines in Freemasonry, curses of mental torment, addiction, oppression, defilement, poverty, sickness and disease, and early death.

Gal. 3:13 "Christ hath redeemed us from the curse of the law, being made a curse for us; for it is written, Cursed is everyone that hangeth on a tree."

¹⁹ Yet say ye, Why? doth not the son bear the iniquity of the father? When the son hath done that which is lawful and right, and hath kept all my statutes, and hath done them, he shall surely live.

²⁰ The soul that sinneth, it shall die. The son shall not bear the iniquity of the father, neither shall the father bear the iniquity of the son: the righteousness of the righteous shall be upon him, and the wickedness of the wicked shall be upon him.

While we are not punished for our parent's sins, we do inherit from them specific weaknesses and tendencies to sin.

David "Ps. 51:5 "I was shapen in iniquity, and in sin did my mother conceive me."

If we confess our sins, he is faithful and just to forgive us our sins, and to cleanse us from all unrighteousness" (1 John 1:9).

He Himself took our infirmities and bare our sicknesses (Matth 8:17). Also, "By whose stripes ye were healed (1 Peter 2:24).

Two main causes for a person's having problems:

The word is called "the flesh" or the "old man." The sensual carnal nature. The second problem is the workings of evil spirits. Demons tie themselves to the person's mind or flesh unless repented.

History of Freemasonry - forming the first Grand Lodge in London in 1717. The earliest masonic texts date from between 1390 and 1425. But masons claim their ancestry back to Solomon's temple. Their status, icons, and display originated back to ancient Egypt, and their secret knowledge returned to the Tower of Babel. The first United Nations established one world government and religion until the Lord intervened. The destruction of the true glory of God.

Freemasonry borrows from many. What connects them is the secret knowledge – the occult.

May 1, 1776, is when the Illuminati group was formed.

The Statue of Liberty (See Diagram 2)

The Statue of Liberty is a monument and masonic symbol of the secret truth and knowledge by the Freemasons. The masonic lodge in France gave it to the United States.

A symbol meaning goddess of reason.

The Statue of Liberty is essentially a modern version of the Colossus of Rhodes, depicting the Greek sun god Helios (Helios being Greek for sun). Enlightening, light, the sun, intelligence, bright, brilliance. It is the worship of light in its pure essence or in the forms of sun and fire worship. - the light of Lucifer – the son of the Morning.

Its crown of solar rays and its upraised torch symbolized the glorious Sun Man of the Mysteries, the Universal Savior occultly. The image depicts Helios holding a torch high in one hand and standing on the island of Rhodes facing the water. Helios is also represented as an all-seeing eye, just like the Illuminati.

Her book shows the date May 1, 1776, illumination of the Illuminati.

Jesus is our true light, not Lucifer.

The Shriner Red Hats Symbolizes (See Diagram 3): On the next page

The Masonic Shriners wear a red hat known as a Fez, named after a town in Morocco.

In the 7th Century, Mohammed ordered the destruction of all infidels (Christians and Jews), including women and children, who the Muslims brutally murdered. As the streets ran red with the Christians' blood from the massacre, the Muslims dipped their hats in that blood as a testimony to Allah. They wore their hats in celebration of their victory and warned Christians and Jews that if they did not bow down to Allah, they would die.

The French Revolution

The French Revolution attacked the moral order in all its areas. It replaced it with their agenda, which they called "Reason." the Reign of Terror had an extraordinary impact on the intellectual elite of its time, shattering their faith that reason could rule the world, that progress was inevitable, and that the spread of enlightenment would usher in an age of peace, prosperity, and human freedom. The desecration of churches – the killing of a priest and setting up the public worship of the Goddess of Reason". The same thing they want to happen in America, which we see today, but in a slower way by infiltrating churches.

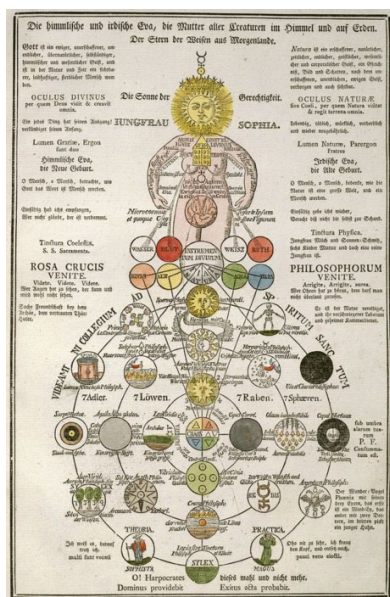

Conspiracy: Document called the Protocol of Elders of Sion –The protocol was intentionally written to blame Jews for a variety of ills. Hitler referred to the Protocol in his early political speeches to exploit as a propaganda myth that Jewish Bolsheviks were conspiring to control the world. Some of the schools use the protocol to indoctrinate students. The US Senate in 1964 declared that the protocol was fabricated. Today, many Arab and Islamic countries teach protocols as fact.

Rosicrucianism

Freemasonry was an outgrowth of Rosicrucianism, which was invisible and part of the philosophical secret society. Said it was founded in late medieval Germany by Christian Rosenkreuz. It holds the doctrine or theology built on esoteric truths (fusing early Christianity with Egyptian mysteries) of the ancient past concealed from the average man, providing insight into nature, the physical universe, and the spiritual realm. The Rosy Cross symbolizes Rosicrucianism. The Rosicrucian emerged toward the end of the 18th Century with the Freemasons. The Rosicrucian's were part of several Protestant mystical reform movements in Germanic territories of Europe.

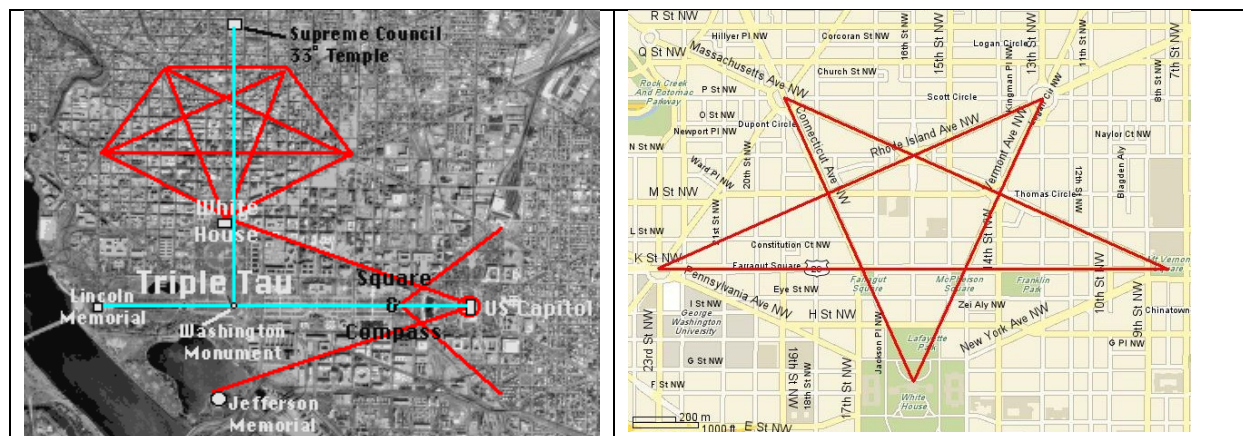

The Hermetic Order of the Golden Dawn began in 1850 when Kenneth Mackenzie was initiated by Hungarian Count Apponyi in Austria into a Rosicrucian lineage and was given a collection of 60 folios called Cypher Manuscripts, which outline a series of magical initiation rituals that eventually became the Hermetic Order of the Golden Dawn which rose out of the confluence of Egyptian and Greek cultures being part of the occult underworld intermingling with other occult movements and practices. It uses the imagery of the Jewish Qabalah and Christian mysticism, Hermetic Theurgy (their studies of nature, alchemy, astrology, magnetism – hypnotism and communication with the dead, and medicine). The rose symbolizes the soul and the cross, the body of the four elements. Both F and R use the resurrection of Hiram Abiff, 1 Kings, 7 and 2 Chron 2: Hiram Abiff, widow's son from Tyre.

The high-level masons are the Rosicrucians –the keepers of the holy grail – these people believe that their bloodline connects with Jesus – that Jesus did not die but married Mary Madeline and had children. This group is trying to destroy Christianity and is trying or did deceptively produce bones of Jesus to turn everyone away from Jesus Christ.

Freemasonry mocks everything about God, Jesus, Jewish holidays, feasts – it blows out the candlestick of the Lord and declares that Jesus the candlestick is dead, the prophetic light of the church has gone out

Washington DC. (See Diagram 4)

The United States of America was chosen to lead the world into this kingdom of the Antichrist from the beginning. The capital is Washington, D.C.

In 1791, Pierre Charles L'Enfant (the designer, who was a Freemason) laid out the Governmental Center of Washington, D.C., and he planned more than just streets, roads, and buildings. He hid certain occultic magical symbols in the layout of the U.S. Governmental Center. When these symbols are united, they become one large Luciferin, or occultic, symbol.

The upper four points of the Goathead represent the four elements of the world: Fire, Water, Earth, and Air. The bottom fifth point represents the spirit of Lucifer. All of which are described in Washington D.C. (The United States Capital)

Our leaders are calling this system the New World Order, which started with George Bush, a senior in 1991.

1. In the middle, Dupont Circle, Logan Circle, and Scott Circle form the top three points of the Devil's Goathead of Mendes, one of the most important types of the Five-pointed Devil's Pentagram.
2. Washington Circle forms the extreme left-hand point of the Goathead.
3. Mt. Vernon Square forms the extreme right-hand point of the Goat head.
4. The White House forms the fifth and bottom point of the Goat head.

The circle has also been used to represent the Sun, especially in spiritual terms, denoting spiritual light. But the circle is also used as a symbol of the All-Seeing Eye. Remember the All-Seeing Eye atop the pyramid on the American One-Dollar bill? This eye is within a triangle, but the important factor to realize is that the eye is atop a pyramid. Of course, a pyramid is nothing more than a triangle. Look again at the triangles formed by the Goat head Pentagram.

Washington, D.C., literally was an open channel of Satanic power, emanating from the vortex of the earth on which she was built and extending into the Third and Fourth Dimensions, calling forth Serpent

Power upon this Capitol City and the nation of which she is a part! Are you beginning to see a secret America you did not know existed?

The supreme headquarters of the Scottish Rite is in D.C. – A person to **become a 33rd Degree has to go to D.C. for the initiation. The City of D.C. is laid out in Masonic Symbols (show diagram)**

The highest-level mason was Albert Pike – he is one of the two buried and honored in D.C. – who started the KKK – masonic body – Supreme Luciferian Pontiff, Highest Ranking Satanist and Author of Morals and Dogma.

Quote from Albert Pike: “Masonry, like all religions, all the mysteries conceal its secrets from all except the Adepts and Sages, or the Elect and use false explanations and misrepresentations of its symbols to mislead those who only deserve to be misled.”

The Lodge or Temple (See Diagram 5)

Freemasonry is a labyrinth of cryptic codes, meaning secret communications. In every symbol, ceremony and emblem of Freemasonry we are confronted with nothing but the sun-god (Lucifer), that ancient Baal worship in every religion from the Druids to Hinduism. Symbols in and outside lodges.

Important Articles in the Temple	
	<p>Ark of the Covenant - The Ark of the Covenant reveals God's Promise to David...and it is through this promise that we receive God's continued mercy for our transgressions, today. That is the reason why the Ark of the Covenant is important to Masons. Masons believe that the Ark of the Covenant is the reason why Solomon`s temple was built.</p>

	<p>Masonic Altar—The Masonic altar, within the Masonic Lodge, upon which the Holy Books are seated, symbolizes our place of communion with God. In ancient times, however, the Masonic altar was a place of sacrifice, atonement, and communion with God.</p>
	<p>Masonic Eye—The Masonic Eye is symbolic of the Eye of God. It symbolizes his divine presence and his ever-present care of the universe. God is without a beginning and an end because he always is and has always been. The Masonic Eye of God watches over each of us.</p>
	<p>The black and white checkered floor has existed in temples since ancient Egypt. More than simply decorative, the mosaic pavement bears a profound esoteric meaning. Today, it is one of Freemasonry's most recognizable symbols and is the ritualistic floor of all Masonic lodges. The pavement is where initiations occur and is "emblematic of human life, checkered with good and evil."</p> <p><i>"The pattern is related to the number two ...the bipolar nature of earthly existence and the dual paths (positive/negative; good/evil; light/darkness.</i></p>

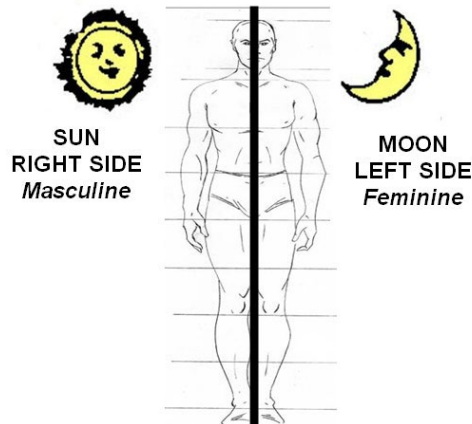

While this story may be true, my research shows that the symbolism of the pillars predates Solomon, the Jews, and even the Old Testament books for thousands of years.

- *the right-hand Pillar is capped by the Sun*
- *The moon caps the left-hand Pillar*

This duality of the Sun/Moon tells us something critically important.

The world's first cultures all perceived the Sun and Moon as "perfect opposites" or perfect "pairs of opposites."

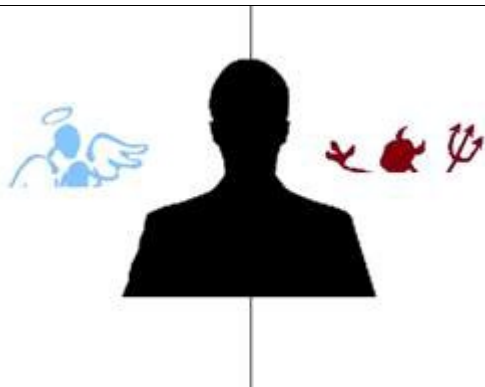

Indeed, Mother Nature has placed the Sun & Moon at odds and on opposite sides of the polarity spectrum:

Manly Hall wrote:

"In ancient times men fought with their right arms and defended with their left arms...

...the right side of the body was considered masculine and the left side feminine." ix

This explains the "devil" on our left and "angel" on our right shoulders: We are demons and deities, sinners and saints, moons and suns, all wrapped in one human package.

	<p>The Hexagram/Pentagram</p> <p>“The hexagram (also called the Shield of David, Star of David, Crest of Solomon, and Hexangular Seal of Solomon) is another symbol used by Masons. “...the sign was used as a ...stand-by for Magicians and Alchemists. The Sorcerers believe it represented the footprint of a special kind of demon called a trrud and used it in ceremonies both to call up demons and to keep them away. ...in witchcraft, this [the hexagram] is the evilest sign in the occult world.</p>
	<p>.</p> <p>The hideous occult idol known as Baphomet (above) is the most widely used of all Satanic symbols. <i>The Satanic Bible</i> instructs Satan worshipers to place the Baphomet on the wall above the altar during Satanic rituals. Every time we see the symbol of the Baphomet, we should be reminded of the connection between Freemasonry and Satanism. Baphomet represents Masonic wisdom and is, in effect, their god, whether recognized as such or not.</p>
<p>Serpent</p>	<p>Of note, the "SERPENT" to a Mason is the emblem of DIVINE WISDOM. You see the SERPENT plastered all over Masonic lodges in decorations. Masonic theology is quite clear that the serpent, or Satan (Lucifer), should be worshipped. In the 3rd degree, the Mason is once again lies to and is given a substitute word. He is told to look "to that bright and Morning Star"... Abracadabra...</p>

The Temple (See Diagram 5)

The temple is based on Baal, Mermes, and Baphomet worship. Baphomet is another name for Satan. It is a fortress of mystery and darkness.

The Masonic Temple always has the entrance in the west and the altar in the east. In the Bible, we are told that the entrance to the Garden of Eden was in the east. Solomon's Temple (and subsequent Jewish Temples) had entrances in the east and the Holy of Holies in the west. One traveled from east to west to enter the Garden of Eden and go to the Tree of Life. The priest traveled from east to west to enter the Tabernacle or the Temple to approach God. Freemasonry is 180 degrees reversed.

The Symbol of the ... **square and the compass** (See Diagram 6).

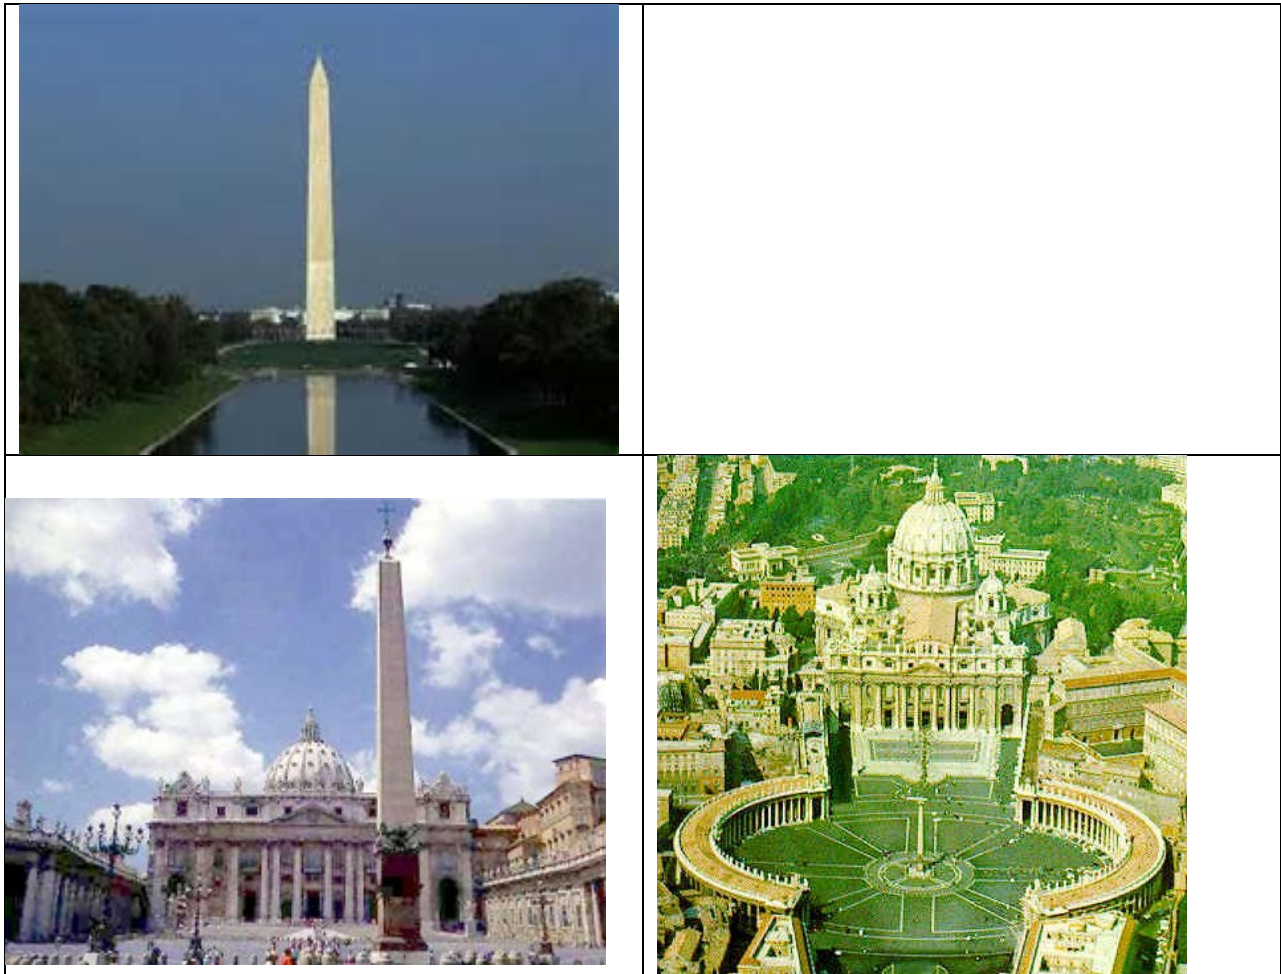

The Compass is the male, and Square is the female – it is all about sex.

It has more to do with "generative" things since freemasonry is just a knockoff of kabbalah, and kabbalah is, at its higher levels, about "sex magic." The shape made in the space of the square and compass resembles a teardrop but with angles, which is very similar to a slightly open bit of female anatomy. If I may speculate, the G could be for female bits (Gyne), which the space partially resembles. Many times, the sun (and sometimes a "blazing" star) is placed in there instead of a G, and that opens a whole slew of other possibilities (from it proceeds masonic light, with the sun as an emblem thereof? The womb of Eos is birthing eosphoros/lucifer, which has something to do with a cosmic egg and orphic mysteries.

Male = Sun - Female = Earth / Moon

The "G," the initiate, is told that this letter stands for "God" and for "Geometry," which the Supreme Architect of the Universe used to design this wonderful Cosmos. Their sexual union produces the Triad [#3], which is "represented by the letter 'G,' the generative principle." This term, "generative principle," is code for the sex act. Many high-level masons are pedophiles and believe sex with children will give them eternal life.

The Washington and Vatican Monument – phallic (see Diagram 7)

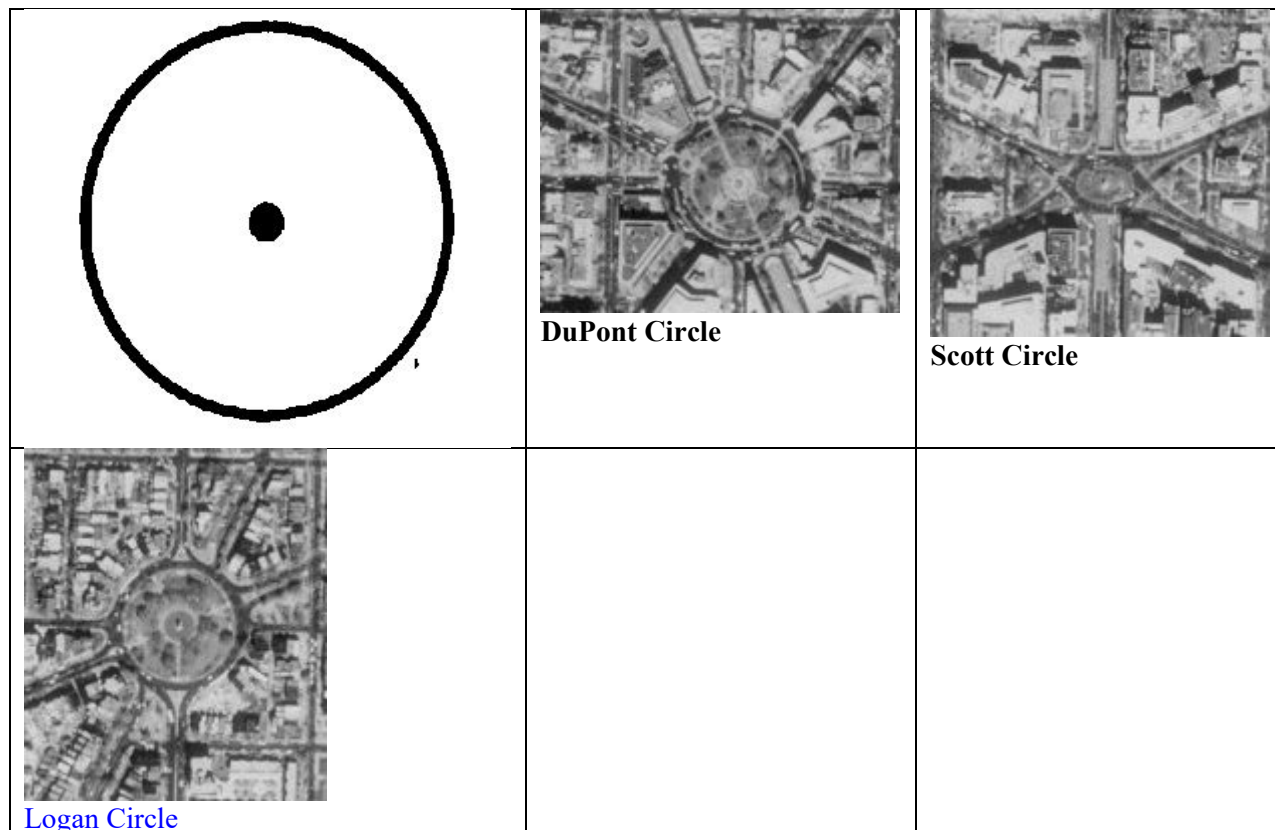

The Washington Monument, raised on February 22, 1922, which lies directly west of the Capitol, is a straight line. The Washington Monument is the most important Presidential monument to the occultist. The Obelisks are set inside a circle. *Obelisks* provides detailed information on the Babylonian origins of Masonry.

The Obelisk is believed to be the spirit of the ancient Egyptian sun god, Ra, who resides in the Obelisk.

There are three in the world, the other two in St. Peter's Square in Rome and the other in Central Park of New York City, brought over in 1881 from Alexandria, Egypt.

The Obelisk stands for the darkest part of the heart. Phallicism worships the erect Male Sex Organ. The male organ dies when it brings forth seed and cannot be resurrected, whereas the female organ is immortal or eternal. The Obelisk is the giant solar phallic cult.

The Point within the Circle (see Diagram 8)

The pentagram compromises points of the circle, DuPont Circle, Scott Circle, and Logan Circle, which are four of the six points of the Pentagram. The circle is the most important magic symbol, which denotes spirit or spiritual forces. The spiritual forces are from Lucifer.

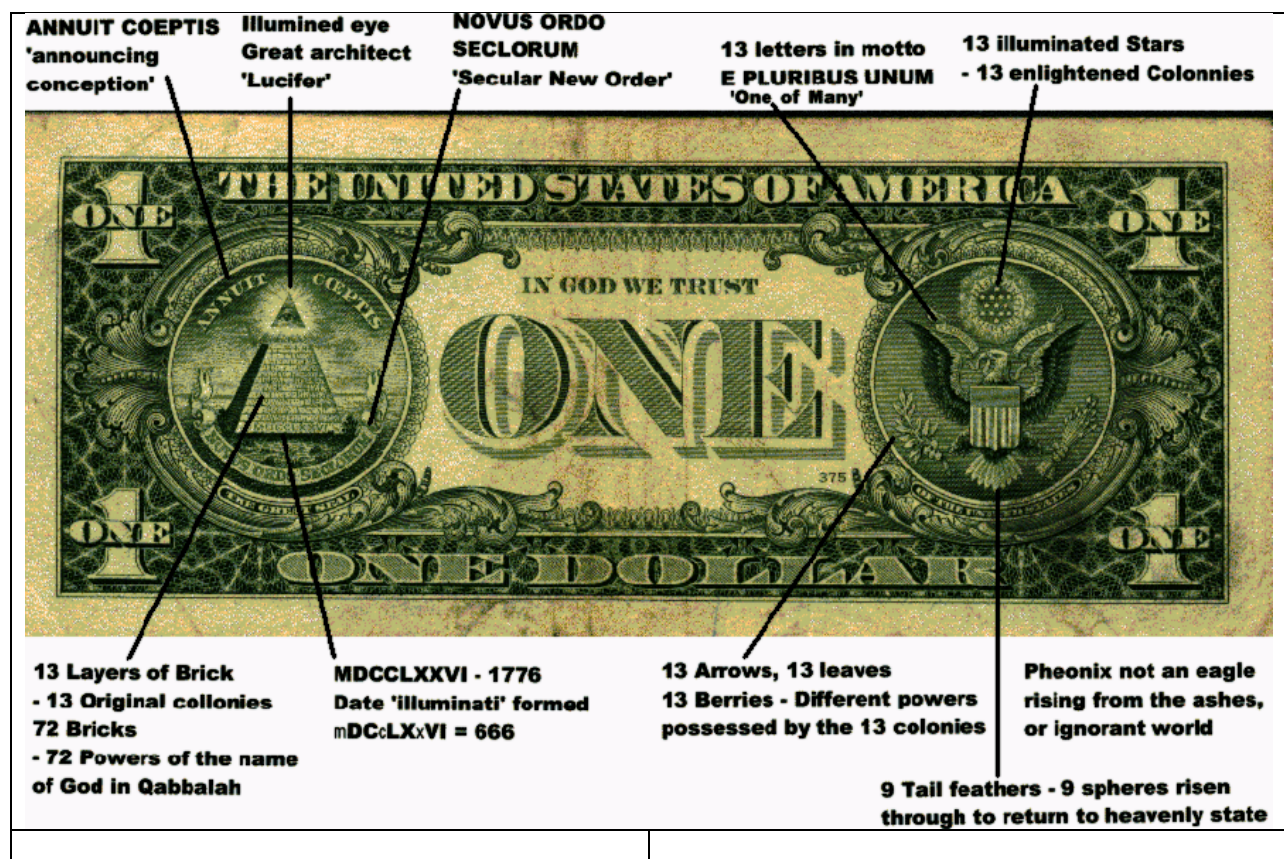

It represents the old Sun worship and worship of the phallus. It refers to a dot within a circle—the worship of the Sun God, Osiris, who is also Lucifer. Freemasons worship the sex act, just as pagans and heathens have done for centuries!

Washington Monument the phallic - The point within the circle is the penis, and the circle is the female yoni or vagina. This symbolism is repeated in St. Peter's Square at the Vatican. This is the hope of their resurrection. Both Freemasonry and Satanism love the Obelisk.

Masons have a vail over their holy place or their god, it is their god covered by a white apron made of lamb skin) – a sacred place.

The masonic ring is a symbol of the occult covenant with Lucifer.

The Great Seal of the United States and the dollar: (see diagram 9):

13 in our Great Seal, shown in two parts on the back of a One Dollar bill, the Eagle and the Unfinished Pyramid. Cooper says: "In the Great Seal of the United States, we see the ancient symbol of the Brotherhood of the Snake ... which, as you already know, is the all-seeing eye in the pyramid representing Lucifer in the form of wisdom ...

The All-Seeing Eye atop the unfinished pyramid represents the Brotherhood of the Snake, also known as the Illuminati. This brings us back to the Snake, the **Serpents of Wisdom**, according to which the United States and its Capitol, Washington, D.C., were established.

The Freemasons are known for their use of symbols and codes, most notably the pyramid containing the all-seeing eye on the back of the one-dollar bill. The number 13 is a cult number.

1. 13 stars in the crest
2. 13 stripes in the shield
3. 13 olive leaves
4. 13 olives
5. 13 arrows (some like to include the 13 feathers of the arrows)
6. 13 letters in *Annuvit Coeptis*
7. 13 letters in *E Pluribus Unum*
8. 13 courses of stone in the Pyramid
9. 13 X 9 dots in the divisions around the crest.

*Was the American Revolution really of God? Read **Rulers of Evil** for some interesting insights!*

- 2. The two circles are a symbol of eternity.**
- 3. The "seeing eye" reflects that God is watching.**
- 4. The flag represents the patriotism of the country.**
- 5. The pyramid signifies the release of the Israelis.**
- 6. The unfinished pyramid reminds Masons that life on Earth is not complete but will be completed in Heaven.**
- 7. The eagle represents the Patron of Free Masonry, St. John The Evangelist.**
- 8. The eagle's wing feathers, numbering 32 and 33, represent the highest number of degrees conferred on a Mason passing through the Scottish Rite.**
- 9. The 65 wing feathers represent the Hebrew phrase "together in unity."**
- 10. The 9 tail feathers indicate the number of degrees in the York Rite.**
- 11. The phrase "ANNUIT COEPTIS" above the pyramid can be translated as "He has favored our undertaking."**
- 12. The Latin Term "NOVUS ORDO SECLORUM" under the pyramid is translated into "a new order of ages."**
- 13. The "Glory" above the eagle's head reminds a Mason of the hours of the day: 8 hours of labor, 8 hours of sleep, and 8 hours of humility to God.**
- 15. "In God We Trust" is the first question in Masonry.**
- 16. The green color of the dollar bill represents the soul's immortality.**

Henry Morganham and FDR wanted to place this seal on the dollar bill, which happened in 1933.

Their Initiations: (See Diagram 10)—the first three degrees of the blue lodge are a gradual unfolding of alchemy, a process of magic.

Entered Apprentice Degree

The initiate dressed in “pajamas,” initiate is bare-chested (proving the sex of the candidate) and blindfolded with a noose (cable tow) around his neck as a sign of slavery, submission, not to Christ nor the church but to Master Mason and the Lodge.

The blindfold (hoodwink) – brings blindness, so they do not come to the truth and glory of Jesus Christ.

Cable tow around the neck – unseen tie, an occult bondage. They are used in India as an emblem of Yama, the god of death.

The hoes are removed, and the right one is replaced with a slipper. The side is the weaker side. The Mason is half naked and half clad, half barefoot and half shod, half free and half slave.

Only Master Mason leads men into spiritual light and enters the door, seeking new birth.

The candidate is taken to the northeast part of the Temple. The foundation stone is in the north-east corner. The candidate is told, you are the cornerstone.

He is taken outside the lodge, and they knock on the door. A person inside asks the initiate what he wants. He then answers by saying, “I want to come out of the darkness and enter into the light of freemasonry,”

When the candidate demands light, intellectual illumination will dispel the darkness. Light becomes synonymous with trust and knowledge—a tree of knowledge in the garden.

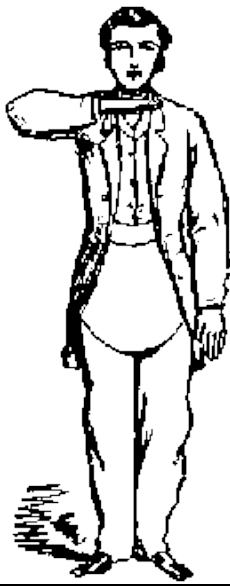

The initiate is then brought into the lodge still blindfolded, and a dagger, sword, or other sharp object is placed against his bare chest. It represents intimidation, violence, and proof of the sex of the candidate.

He then swears the first of many blood oaths and curses over himself and his family. He agrees to be murdered or mutilated if the oath of the degree is violated. This brings darkness and an antichrist spirit on the person and his family. If he breaks these oaths, curses are activated. A person making these oaths already puts a curse of early death on them.

	<p>He salutes his thumb drawn across the throat like a knife as an oath is made.</p> <p>“All of this I most solemnly, sincerely promise and swear, in secrecy (to the great Architect of the Universe – Satan ... binding myself under no less penalty than that of having my throat cut across, my tongue torn out from its roots and my body buried in the sands of the sea at low watermark ... should I ever knowingly violate this my entered Apprentice obligation. So, help me, God.</p> <p>Entered Apprentice enters the light – The worshipful master declares, “And the Spirit of God moved upon the face of the waters. And God said, let there be light: and there was light.” After that, the candidate's blindfold is ripped off, and he is faced with a dazzling three-branched candlestick flickering before him.”</p> <p>To gain admission to the Celestial Lodge above, the initiate is presented with a white lamb apron as a reminder of the purity of life. That is why, when a mason dies, the apron is put in the coffin.</p> <p>The Secret Word: BOAZ</p>
Other Organizations in the initiations, such as going into Witchcraft	<p>The initiation into Masonry (with two minor changes at the end) is identical to that of witchcraft! By embracing such rituals and vows rooted in ancient witchcraft and demonic worship, men and women are placing themselves under occult power. In both, they must be stripped and Blindfolded with a noose around their neck, and a knife or sword put against the breast, and a blood oath is made never to tell the secrets. They believe a person is in the dark until they are initiated into the light. It is a false light.</p>
2nd Degree Fellow Craft	<p>It is almost the same as the first degree except for different oaths</p> <p>For the Fellow Craft initiation, the right shoulder is bared, and the cable tow is tied around the right biceps or shoulder two times, making a covenant. The right breast is exposed, a claw-like hand drawn across the chest, and a square is pressed hard into the bare chest.</p> <p>Fellow Craft Degree: "...my left breast torn open, my</p>

	<p>heart and vitals taken thence, and with my body given as a prey to the vultures of the air, should I ever knowingly, or willfully, violate this, my solemn Obligation of a Fellow Craft.";</p> <p>The Secret Words: the secret words SHIBBOLETH and JACHIN</p> <p>Again, you have heard that the ancients were told, ‘You shall not make false vows but shall fulfill your vows to the Lord.’ But I say to you, make no oath at all, either by heaven, for it is the throne of God, or by the earth, for it is the footstool of His feet, or by Jerusalem, for it is the city of the great King. Nor shall you make an oath by your head, for you cannot make one hair white or black. But let your statement be ‘Yes, yes’, or ‘No, no’: and anything beyond these is of evil. (Matthew 5:33- 37) But above all, my brethren, do not swear, either by heaven or by earth or with any other oath, but let your yes be yes and your no, no; so that you may not fall under judgment. (James 5:12) Nor shall you make an oath by your head, for you cannot make one hair white or black. (Matt. 5:36)</p>

3rd Degree – The raising of a master mason – the theme is death and resurrection, with Satan referred to as the Most high. The initiate goes through the “valley of the shadow of death.” He will “finally rise from the tome of transgressions to shine as the star forever and ever”. Black robes and hoods are worn for this degree. The penal sign is given. He is taught to “bend with humility and resignation to the will of the great Architect of the Universe.” This degree opens up a person to receive a spirit of death. The ceremony re-enacts the murder, death and resurrection of Hiram Abiff. A blow to the head, throat and breast by fellowcrafts. Placed in a coffin The master mason does a mocking of the resurrection of Christ by pulling the initiate up out of the coffin. The initiate blasphemies the death and resurrection of Jesus Christ – roots of Egyptian Witchcraft, of the death of Osiris, the god of death.

Oath Taken: ... my heart and other vital organs be removed and thrown over the left shoulder and carried into the valley of Jehoshaphat to be devoured by fowls of the air.” Demonic names Ma Ha Bone, Machaben and **Jah-Bul-On** are given to the candidate as passwords – meaning brown down to be brought under.

JAH represents the name for Yahweh or Jehovah. **BUL** represents Ba'al or Bel (the Devil). The name of the god of Jezebel and Ahab. **ON** represents the name of the Egyptian Sun God Osiris. The god of Pharaoh... JAO is a pagan Chaldean name for God. "BUL" is a Syriac word which means "Baal". Baal was a Canaanite fertility god associated with LICENTIOUS rites and MAGIC. Baal is actually another name for the Devil. This is also known as the Grand-Omnific Royal Arch Word.

The spirit of infirmity comes in from the noose around the neck. Asthma, allergies, breathing disorders.

The believe is that each degree obtained, brings them closer to the light, and to enlightenment. Initiates never know the truth.

Matthew 5:34 says “But I say unto you, Swear not at all; neither by heaven; for it is God's throne:

Ceremony is he is barefoot, dressed in black trousers, and draped in a black robe of witchcraft with a black hood and a light taper put in his right hand. A cable tow is draped around the neck. The Illustrious Grand Master General of Ceremonies holds the end of the cable-tow.

The black cable show represents his willingness to see his brethren set free from the yoke of oppression.

He plunges his hand into a vase of molten lead and plucks out a golden ring. The ring is then placed into a vase of mercy, and he receives it. It is usually made up of three bands and is often set with three diamonds.

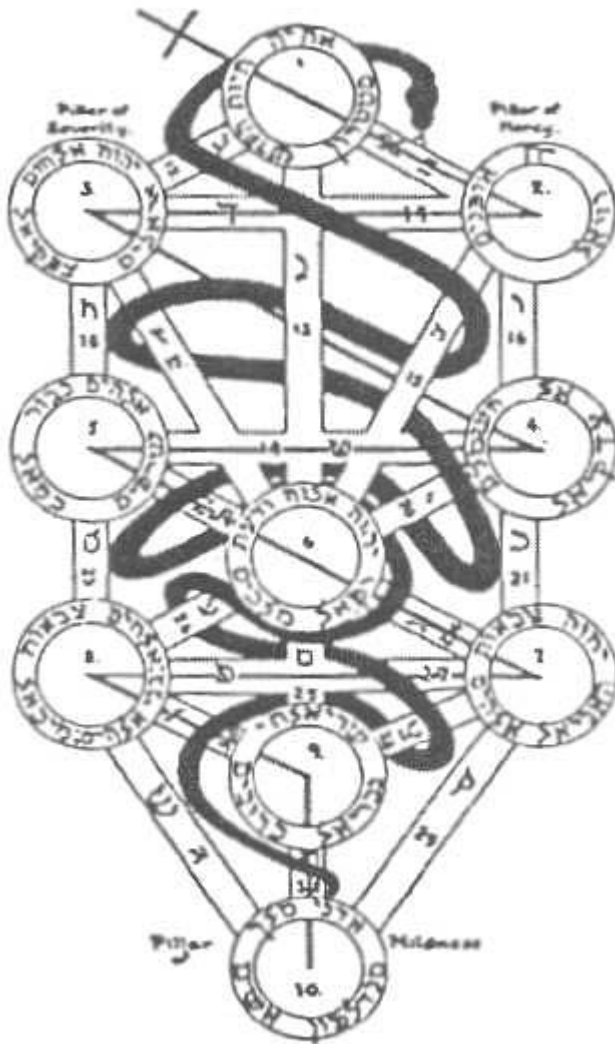

The ring is given and declared: you are forever bound to the order, your country and your god (Lucifer).

The Alchemy is the art of Black magic and is the releasing of mercury, gold and lead. New becomes an alchemist of Magic in covenant.

Hemlock is a fatally poisonous herb. It releases a foul smell like urine. Urine is possibly mixed in the Hemlock. Urine is commonly used in witchcraft and new age rituals.

Hiram Abiff

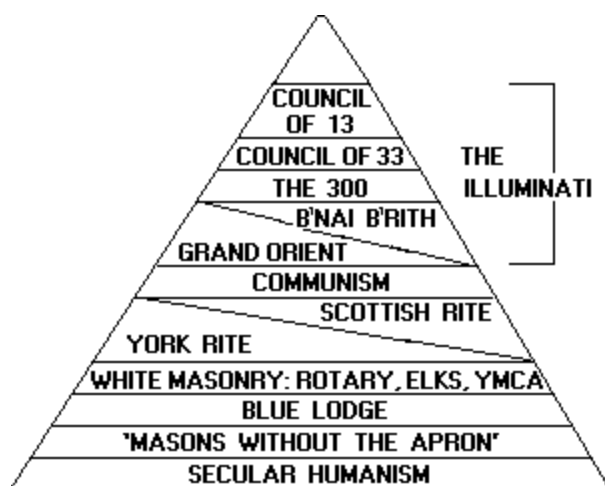

One day, while worshipping the Grand Architect of the Universe within the Temple "Holy of Holies," Hiram was attacked by three apprentice Masons named Jubela, Jubelo, and Jubelum, who were known collectively as "the Juwes." The three men demanded that Hiram give them the "Master's word," i.e., the secret name of God. Hiram refused, as this word could only be given to those who had become initiated as Master Masons.

The first man, named Jubela, then struck Hiram across the throat with a 24-inch gauge. The second man, named Jubelo, struck Hiram's breast over the heart with a square. The third man, named Jubelum, struck Hiram upon the forehead with a gavel. Hiram fell dead. His blood had been shed within the temple. After his death, Hiram's body was carried out of the East gate of the Temple and buried outside Jerusalem on Mount Moriah.

Early the following morning, King Solomon visited the temple construction site and found the workmen in confusion because no plans had been made for the day's work. Fearing that evil had befallen Hiram, King Solomon sent out twelve Fellowcraft Masons to look for Hiram, three Masons to each of the four cardinal directions. King Solomon himself accompanied the three Masons who journeyed towards the East. Having finally located Hiram's grave, Solomon and his fellow Masons exhumed the body.

A search was done for the Master's word (the Name of God), but all that was found was the letter "G". Finding the word lost, they cried out: "O Lord, my God, is there no help for the widow's son?" The Masons first took hold of Hiram's body with the "Boaz" grip of the first degree. This failed to achieve its purpose. They then re-positioned their hold upon Hiram's body using the "Jachin" grip of the second degree.

This also failed to accomplish its purpose. Solomon finally raised Hiram from the dead by using the third degree grip of the Master Mason and by uttering in Hiram's ear the phrase "Ma-Ha-Bone." Immediately after these words had been uttered, Hiram Abiff was resurrected from the dead. He stood up and departed from them, saying that he was being ushered into a more glorious existence.

The Masonic historian Albert G. Mackey describes the Illuminati as a "secret society, founded on May 1, 1776, by Adam Weishaupt, who was professor of canon law at the [Jesuit-controlled] University of Ingolstadt" (*Encyclopedia of Freemasonry*, Mackey p. 346). In his biographical sketch of the Jew Weishaupt, Mackey opens with the following words, "He is celebrated in the

Albert Pike – Prediction of the three world wars.

The Albert Pike, 33rd Degree, Memorial by Gaetano Trentanove was erected in Washington, DC, in 1901. In this bronze pedestrian statue, General Pike is shown in civilian dress and presented as a masonic leader rather than a military man. Sitting on a ledge is the allegorical Goddess of Masonry, holding the banner of the Scottish Rite. Pike holds a book in his left hand.

Albert Pike was the only Confederate general honored in Washington, DC. In 2020, the protestors pulled down the statue and set it on fire.

Freemasonry

Pike first joined the fraternal Independent Order of Odd Fellows in 1840. He next joined a Masonic Lodge, where he became extremely active in the affairs of the organization. In 1859 he was elected Sovereign Grand Commander of the Scottish Rite's Southern Jurisdiction. He remained Sovereign Grand Commander for the remainder of his life (a total of thirty-two years), devoting a large amount of his time to developing the rituals of the order. Notably, he published a book called *Morals and Dogma of the Ancient and Accepted Scottish Rite of Freemasonry* in 1871, of which there were several subsequent editions. This helped the order grow during the nineteenth century. He also researched and wrote the seminal treatise *Indo-Aryan Deities and Worship as Contained in the Rig-Veda*. In America, Pike is still considered an eminent and influential Freemason, primarily in the Scottish Rite Southern Jurisdiction.

Albert Pike Letter to Mazzini

The Illuminati Plan for 3 World Wars, August 15, 1871, The following is a letter that speculation claimed that Albert Pike wrote to Giuseppe Mazzini in 1871 regarding a conspiracy involving three world wars that were planned in an attempt to take over the world. The Pike letter to Giuseppe Mazzini was on display in the British Museum Library in London until 1977.

Many websites have claimed this letter to reside in the British Library in London, which denies its existence.

- Giuseppe Mazzini was an Italian revolutionary leader of the mid-1800s as well as the Director of the Illuminati
- Albert Pike (historical Masonic figure) was a 33rd-degree Freemason, Occultist, Grand Master, and creator of the Southern Jurisdiction of the Masonic Scottish Rite Order.

Following are extracts from the letter, showing how the Three World Wars have been planned for many generations.

"The First World War must be brought about to permit the Illuminati to overthrow the power of the Czars in Russia and make that country a fortress of atheistic Communism. The divergences caused by the "agentur" (agents) of the Illuminati between the British and Germanic Empires will be used to foment this war. At the end of the war, Communism will be built and used to destroy the other governments and in order to weaken the religions."

"The Second World War must be fomented by taking advantage of the differences between the Fascists and the political Zionists. This war must be brought about so that Nazism is destroyed, and that the

political Zionism be strong enough to institute a sovereign state of Israel in Palestine. During the Second World War, International Communism must become strong enough to balance Christendom, which would then be restrained and held in check until we would need it for the final social cataclysm."

"The Third World War: see what is happening today in the middle east? This war must be fomented by taking advantage of the differences caused by the "agentur" of the "Illuminati" between the political Zionists and the leaders of the Islamic World. The war must be conducted in such a way that Islam (the Moslem Arabic World) and political Zionism (the State of Israel) mutually destroy each other.

Meanwhile, the other nations, once more divided on this issue, will be constrained to fight to the point of complete physical, moral, spiritual, and economic exhaustion... We shall unleash the Nihilists and the atheists, and we shall provoke a formidable social cataclysm which, in all its horror, will show clearly to the nations the effect of absolute atheism, the origin of savagery, and of the bloodiest turmoil. Then everywhere, the citizens, obliged to defend themselves against the world minority of revolutionaries, will exterminate those destroyers of civilization, and the multitude, disillusioned with Christianity, whose deistic spirits will from that moment be without compass or direction, anxious for an ideal, but without knowing where to render its adoration, will receive the true light through the universal manifestation of the pure doctrine of Lucifer, brought finally out in the public view.

This is in the plans now. All the governments of the world, including the left side and the United States, are involved in the planning of this last war.

This manifestation will result from the general reactionary movement which will follow the destruction of Christianity and atheism, both conquered and exterminated at the same time.

Father God, we pull down the words spoken from the second heaven and command those words be null and void. I also command every curse to reverse and call forth the blessings of the Lord in health, finances, and favor from God in the name of Jesus Christ of Nazareth.

Conclusion: Freemasonry is a secret society cult that is very involved in the governments of the world to bring about the Antichrist. The lower level has no clue. The higher levels know what they are into. They are the ones that worship Lucifer as their god. There are many forces and secret societies tied into this group. As times move, we will see more signs that the Bible talks about the return of the Lord along with the Antichrist coming on the screen. Keep your eyes on Israel since that is the actual clock of time. What is happening in Israel shows us where we are in time.
