

## Death or Loss of Baby

Blessed are those that mourn; for they shall be comforted (RSV Mt:5:4).

Father God, in the name of Jesus Christ of Nazareth, we come against the attack of the enemy and break all curses coming against the mother and the baby. We also break all generational curses going back on both sides of the family back to Adam and Eve.

We come against Freemasonry curses that may have attacked the mother's womb.

We pray for \_\_\_\_\_ grief over the loss of her baby. Father God, we bind and break the power of grief, sorrow, sadness, depression, heaviness, and oppression. We also bind and break the power of any guilt and shame attacking her.

Father God, we speak healing over \_\_\_\_\_ heart and ask you Lord to touch her and heal her broken heart from this great loss.

Father God we cannot lean on our own understanding but \_\_\_\_\_ is going to trust you.

Father God, we ask you to bless her womb with fertility and that she can again have a new baby and we come against all spirits of fear, anxiety and stress, and fear of bonding with the child.

We thank you that you will break every curse and that she will be able to carry the next baby to full term and that this child will live and not die in the womb.

Amen
