13 Diseases Healed Recognizing Spiritual Roots of Disease

Healing and Deliverance from Disease

Traci Morin, Ordained Minister, Evangelist, Teacher, Missionary, and expert in healing and deliverance, is used internationally by the Lord Jesus Christ.

I am passionate about setting the captives free as the Lord Jesus Christ commanded me according to Luke 4:18. Help others through an in-depth study of the scriptures for healing wounds and broken hearts in how that gives evil spirits a legal right.

God wants to take your wounds of pain, hurt, and sorrow!

Freedom from hurt and pain!

Did you suffer from traumatic events, broken hearts, betrayal, or victimization from others, such as emotional abuse, physical abuse, or spiritual abuse? Can you ever really be free from painful memories? The answer is yes! Recovering from life-altering trauma and pain breaks the cycle of victimization! I am thankful for God's Word and promises of divine powers being healed from diseases and deliverance from torment. I want to share my personal healing testimony about what God has done for me. The Lord healed me of 13 physical, emotional, and spiritual diseases. His word says, "He came to heal **All** diseases..." (Psalm 103:1-4). My healing testimony shows the greatness of God setting me free from the clutches of the devil especially from:

- mind control,
- depression,
- demonic spirit transference,
- spiritual oppression,
- generational curses,
- physical sickness and disease,
- witchcraft curses, etc.

The importance of **God's** Law of Love. A disease is the consequence of violating God's law of love.

I had a generational curse assignment of death that caused financial afflictions, which blocked me from success in life and many close calls to death. Both sides of my family were involved in Freemasonry, witchcraft, generational sins, and much more. Plus, my sins of unforgiveness to those who hurt me. I had to take responsibility for my wrong reactions and be a doer of God's Word.

Healing and Deliverance from Diseases

I did the traditional stuff, such as psychiatry counseling, medications, healing lines, alternative medicine, and other types of ministries, None worked until I learned about the Spiritual Roots of Disease through A More Excellent Way by Henry Wright. Let me share the Power of God's Healing Testimony.

Praise the LORD, O my soul, and forget not all his benefits who forgives all your sins and heals all your diseases, who redeems your life from the pit and crowns you with love and compassion,

Traci Morin Power of God Healing Testimony

Most of my diseases are from a Broken Heart and Traumatic Events that manifested in three areas (mind, body, spirit) – Love being violated. You will learn how to find your healing path after Trauma. Jesus Christ is our healer who brought healing to me through His Divine Word of God that brought truth. See below for more healing testimony.

Have you ever noticed how difficult it is to overcome the past? Do you struggle with undiagnosed Post-Traumatic Stress Disorder (PTSD)? You can become a trauma survivor to overcome depression, anxiety, and fear.

Prov. 17:22 (KJV) A merry heart doeth good like a medicine: but a broken spirit dries the bones. A broken heart affects the immune system.

But Jesus said in Psa. 34:19 Many are the afflictions of the righteous: but the LORD delivereth him out of them all. According to Luke 4:18, He came to heal the brokenhearted, which he did for me. I give all credit and glory to Jesus Christ of Nazareth, who healed me of my diseases. The Lord heals today and

doesn't let anyone tell you differently. See list of my healing testimony:

Healing and Deliverance from Diseases: Spiritual disease (Spirit) Divine Powers of Healing Testimony:

- Emotional torment
- Freed from the clutches of manipulation, domination, and control (Jezebel)
- I had an activated death assignment from generational curses each time I tried to get close to the Lord. Example: – almost drowned three (3) times, almost

kidnapped three (3) times, almost bled out after tonsils & adenoids removed, many car & motorcycle wrecks.

More on My Divine Healing Testimony: This was a result of separation in three areas (unforgiveness towards others, self, and God from a broken heart). Bitterness is like gall and when a person stays in bitterness for extended periods of time, it corrupts your body (the cell level and even changes the DNA). You can change your DNA and break curses in your bloodline by being a Doer of God's Word. I had the following:

- Separation from God, His Word, and His love.
- Separation from yourself.
- Separation from others.

Healing and Deliverance from Diseases: What breaks the heart or causes a broken spirit causing disease?

- Abuse (physically, emotionally, spiritually, sexually)
- Trauma – Learn how to find your healing path after trauma.
- Betrayal
- Abandonment and much more
- Generational and personal sins.

Jesus heals by setting captives free from disease and torment through divine powers of healing

What did I do? I Took Responsibility, quench all the Fiery Darts of the Wicked” When Bombarded With Negative Thoughts of Unforgiveness of Others. Bitterness is like a chemical gall. When there is a separation in three areas through unforgiveness, the spirit of fear comes in. Fear can manifest as fear of man, fear of rejection, fear of failure, etc. Disease manifest such as heart disease, anxiety attacks, asthma, insomnia, lung diseases, etc. When I learned to apply God's word in my life, I was set free from my diseases. Jesus came to heal All diseases and setting captives free.

What opened the door to the kingdom of darkness was a lot of emotional, sexual, and spiritual abuse, traumatic events, victimization, etc. I am no longer a victim but victorious in Christ Jesus, who healed me when I lined up with God's Word and appropriated God's Word in my life.

Jesus Healing All Who Are Oppressed

Did you know it has been medically proven that people who do not feel good about themselves have low serotonin levels suffer from depression or addictive types of personalities?

It manifests itself in many ways: excessive talkativeness, death, suicide, self-murder, self-hatred, self-bitterness, self-blame, self-condemnation, self-contempt, self-rejection, inferiority, torment, fear of failure, fear of rejection, misery, auto-immune diseases (where the body attacks the body), compulsive confessions, self-comparison, shame, embarrassment, self-consciousness, defeatist attitude, giving up and giving in, hopelessness to change, depression, fabricated personalities, self-pity, false responsibility, giving up and giving in, guilt, false comfort in other things besides God.

Unfortunately, we live in a society that places such a great emphasis and consideration towards beauty. My issues were more towards issues in my past; this caused my body to start turning against itself.
